**RE: Five-Year Water Resource Development Work Program**

The Northwest Florida Water Management District is please to provide the proposed Five-Year Water Resource Development Work Program required by Chapter 373.536(6)(a)4, Florida Statutes. The report is available on the District's web site at [www.nwfwmd.state.fl.us/pubs/wrdwp/wrdwp.html](http://www.nwfwmd.state.fl.us/pubs/wrdwp/wrdwp.html). The final report will be included in the Consolidated Annual Report due March 1, 2008.

The Five-Year Water Resource Development Work Program provides a description of activities and budget to continue implementing the District's Region II Regional Water Supply Plan covering Santa Rosa, Okaloosa and Walton counties. Added this year are budgeted activities to implement the Region V Regional Water Supply Plan covering Gulf and Franklin counties that was approved by the Governing Board in January 2007. Significant water supply development assistance activities in these and other regions of the District are also mentioned.

To request a hard copy or CD of the report, please contact Paul Thorpe at (850) 539-5999 or [Paul.Thorpe@nwfwmd.state.fl.us](mailto:Paul.Thorpe@nwfwmd.state.fl.us).

If you have any questions concerning this or any of our other documents, please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Ron Bartel".

Ron Bartel, Director  
Division of Resource Management
