Dear Commissioner Dixon:

The Florida Department of Revenue will use the distribution percentages currently on file for Gadsden County to distribute the proceeds of local option gas tax between the county and eligible municipalities within your county. Your percentages are based on transportation expenditures from fiscal years 2000-2004. According to s. 336.025(4)(a), F.S., these percentages are valid through August 31, 2014. Your current percentages are listed below.

Gadsden County	76.30 %
Quincy	10.63
Chattahoochee	7.46
Greensboro	0.33
Gretna	1.28
Havana	3.77
Midway	0.23

	100.00 %

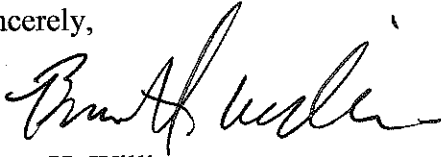

If your distribution percentages will be adjusted due to a change in population, road miles, or transportation expenditures, etc., please provide the Department a certified copy of the revised distribution percentages and we can look at changing the percentages at that time.
