

Apalachee Regional Planning Council

Serving Calhoun, Franklin, Gadsden, Gulf, Jackson, Jefferson, Liberty, Leon, and Wakulla Counties and their municipalities

December 20, 2007

The Honorable Brenda Holt
Gadsden County Board of Commissioners
Post Office Box 1799
Quincy, FL 32353

Dear Commissioner Holt:

Pursuant to *Florida Administrative Code*, Chapter 29L-1, Gadsden County is entitled to have three representatives on the Apalachee Regional Planning Council (ARPC). Two of these representatives are appointed locally by the Board of County Commissioners; one must be a county-elected official and one must be a municipal-elected official. The Governor appoints the third representative.

Enclosed is an appointment form listing Gadsden County's current appointees to the Council. According to Council rules, you are allowed to re-appoint elected officials currently serving on the ARPC Board, however, due to changes resulting from recent elections and reorganizations, it may be necessary for you to appoint new representatives.

Also enclosed is the 2007 attendance record for Apalachee Regional Planning Council members from Gadsden County. It is very important for both the County and the Council that the appointed representatives attend and participate in Council meetings. Decisions are made that directly affect local governments of the Apalachee region as well as its constituents.

You will need to return the enclosed appointment form to the Council office as soon as a determination has been made. Please do not hesitate to contact Council staff if you have any questions or need any additional information. Your continued support and cooperation are greatly appreciated.

Sincerely,

Benjamin F. Ranie
Chairman
