RE: Gadsden County Plane Crash

Dear Chief Dick;

Please accept my personal thanks for the support your crews offered us on Feb 27, 2008. They were truly an example of professionalism to be emulated by all. In today's scarce resource environment, it is reassuring to know that our departments can meld together for the common good.

Your search and rescue team was just the compliment we needed to accomplish our goal. I cannot say enough about all your crews that responded; truly a team to be proud of.

Please express Gadsden EMS and Fire's thanks to all. As we look to the future, I am confident we will continue to work as one.

Again, Thank you for your support.

Brian Beasley. RP
Chief, Gadsden EMS and Fire

Cc: M Brown, Gadsden County Manager
A Favors, Tallahassee City Manager
