Dear Mr. Taylor:

Gadsden County in its effort to partner with the City of Quincy in many areas considers this a unique opportunity to display a real sense of cooperation. I believe the Loomis Brothers Circus will provide the community an exciting local entertainment option. Therefore, your request to have the fees for the deposit and rental of the William Inman Agricultural Center waived is granted.

This waiver is issued based on the following assurances you have provided:

1. Certificate of Insurance.
2. Clean-up and maintenance schedule.
3. Restroom facilities to accommodate Loomis Brothers Staff.

Further, all animals are restricted to the barn. No animals are permitted in halls or front pavilion areas; no alcoholic beverages allowed on premises; and the Gadsden County Board of County Commissioners, Gadsden County Extension Service and the State of Florida are not responsible for accidents, injuries or losses arising from use of this facility.

Mr. Marlon Brown
County Manager

Dear County Manager Brown:

Greetings from the management and staff of the City of Quincy Parks & Recreation Department. As always, we continue to work diligently in our effort to provide safe and positive outlets for our local youth while encouraging their physical activity. We are also focused on making available to our local residents a variety of activities and events that promote fun and family involvement.

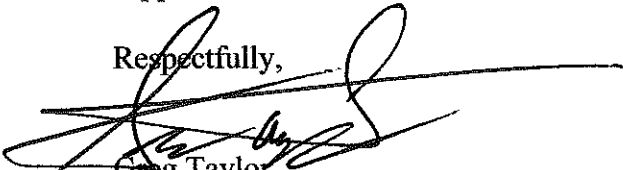

In an effort to promote family and community involvement, the City of Quincy Parks and Recreation Department has partnered with the Loomis Brothers to bring the Loomis Bros. Circus to our area for the second time. The Loomis Bros. Circus will come to town on Tuesday, November 18, 2008 and will offer two performances (5:00pm and 7:30pm) at the William Inman Agricultural Center (Livestock Pavilion).

The City of Quincy and the Loomis Brothers have covered the event with the required public liability insurance. Since this event is merely entertainment for our community and does not involve a high level of profit gain, we are requesting to have the fees for the deposit and rental of the William Inman Agricultural Center waived.

We desire to offer numerous avenues to our local residents to spend quality time with their loved ones right here in OUR CITY and this is just the beginning of us making this happen.

Your urgent response will be greatly appreciated. Thank you in advance for your assistance and support of our efforts.

Respectfully,

Greg Taylor
