Re: 145 Chippewa Court

Dear Mr. James:

I am the owner of above property which is located on a cul-de-sac in Ochlockonee Estates. The Gadsden County school bus utilizes my driveway as a turnaround each and every school day, which has created quite a wear on the grass and driveway. I had the driveway filled with dirt, but that has long washed away and now the driveway has worn to more of a rut which forces my tenant to use the yard rather than the driveway. I was unaware of the bus's use until a recent encounter with my tenant over this issue, and today I witnessed the turnaround myself.

I would have no objection to the County's use if they would provide a proper driveway that would hold up to such use. A culvert needs to be installed, as just the addition of dirt will wash down the street as it did previously.

Any assistance you can give on this issue will be appreciated.

Sincerely,

Mary R. Kneece

Re: Truth in Millage (TRIM) Certification

Dear Mr. Brown:

The Department of Revenue has reviewed the millage certification documents submitted by your taxing authority and determined that it meets the certification requirements of sections 200.065 and 200.068, Florida Statutes. The Department has found no violation of the requirements of section 200.065, F.S., and accordingly accepts your certification.

Sincerely,

James McAdams, Director

Subject: Interlocal Agreement – Gadsden County and the City of Quincy for the Provision of Water, Sewer and Gas for Economic Development Project

This letter is to confirm that there is a mutual understanding between Gadsden County and the City of Quincy that options will be explored to determine the most cost effective method for installing the above mentioned services.

As discussed, the City of Quincy has preference for the gravity feed option if practically possible. The City expects that both parties will come to an agreement on the most economical method (for both short and long term) based on engineering studies.

The City looks forward to working cooperatively with Gadsden County on this project.

Sincerely,

City of Quincy

Dear Chairman Dixon,

We are pleased to provide two signed originals of the Management Services Agreement for Urgent Care Services in Gadsden County. Tallahassee Memorial Healthcare ("TMH") is grateful to have this opportunity to strengthen the long-standing relationship we have with our neighbors living in Gadsden County. The development of an urgent care center is an important first step to reestablish vital and convenient access to health care services in your community. We are honored that you have chosen TMH to facilitate this service.

We eagerly await the return of one original contract with your counter-signature so that we can move expeditiously to meet the 120-day deadline for opening the urgent care center. Corey Fleming and Rob Moss, in advance of the contract signing, began the time consuming process of finding physicians to staff the facility. As of today, there are no physician commitments and the recruitment process may have to be expanded to meet the coverage requirements for the center.

We will keep you apprised of our progress and will soon deliver to you a timetable for the completion of outstanding items required to open the facility. In the meantime, if you have any questions please call Corey Fleming at 850-431-5286.

Sincerely,

G. Mark O'Bryant

Dear Mr. Waters:

As part of the Commission's efforts, the Quality Assurance and Program Evaluation (QAPE) staff will conduct a triennial review of your CTC-related activities, as well as a review of the Medicaid NET services that you provide, on December 5, 2006. The QAPE staff will review your organization for compliance with Chapter 427, F.S.; Rule 41-2, F.A.C.; ADA; the Trip and Equipment Grant; and the Medicaid contract requirements.

The QAPE staff will conduct an entrance interview with you at 8:00 a.m. on December 5th. The entrance interview questions are in the emailed workbook. Following the review, the QAPE staff will conduct an exit interview to discuss findings and recommendations with the same parties involved in the entrance interview.

Please have the following information available when the QAPE staff arrives:

- ▶ System Safety Program Plan
- ▶ Complaint Procedures
- ▶ Grievance Procedures
- ▶ Policy/Procedures Manual or Handbook
- ▶ Driver records and training requirements
- ▶ Transportation Operator and Coordination contracts
- ▶ Rider manifest for December 4, 2006 (Name, Funding Source, and Telephone Number)
- ▶ Contact information for Contractors and Purchasing Agencies
- ▶ Additional agency review reports

By way of this correspondence, I am assigning Robert Craig and Leslie Coppin of the Quality Assurance and Program Evaluation team to conduct the review. If you have any questions regarding the CTC review, please contact Robert Craig at Robert.Craig@dot.state.fl.us or (850) 410-5700.

Sincerely,

Lisa M. Bacot
